### PRODUCT OVERVIEW

Metra has collaborated with VIBE Audio to create this state-of-the-art plug-n-play audio system, tailored to fit and perfectly enhance the 2019-2024 BOSE amplified Sierra or Silverado. Everything needed to install a premium aftermarket audio system is conveniently included in one package: two of VIBE's premium amplifiers, a total of six hand-picked VIBE speakers for the front and rear of the vehicle, a 10" VIBE subwoofer and enclosure, paired with vehicle-specific Metra products that make installation easy. This assortment of Metra products includes a vehicle-specific plug-n-play amplifier interface, pre-tuned to provide best-in-class audio performance. Engineered for seamless integration and exceptional sound performance, this kit is designed to enhance your audio experience with crystal-clear highs, robust mids, and deep bass. This comprehensive kit ensures every component works harmoniously to deliver unparalleled sound quality and ease of installation.
