

RGB CHASING WHEEL LIGHTS

Heise introduces new chasing LED wheel lights for those who want to go wild with moving patterns. Sturdy metal frames that are lined on two sides with IP68 rated LEDs will give the bright glow needed to highlight custom rims. Choose from 3 different sizes, 14", 15.5", and 17" to fit any application. You have a choice from 16 million colors and 170+ pre-made pattern effects controllable via app for your smart phone or tablet or included remote.
