LOWER DASH SPEAKER GRILLE CUT-INS

FITS SELECT JEEP® WRANGLER JL & GLADIATOR JT 2024-UP*

SALES 386-257-2956

PRODUCT OVERVIEW

Enhance the appearance of Jeep® interiors when installing aftermarket speakers with this pair of lower dash speaker grille cut-ins. They allow installers to widen the factory 4-inch opening to accommodate an upgrade to 6-inch to 6.75-inch speakers for more vivid sound while adding a bold style. These speaker covers feature a gloss black metal mesh grille with silver accents for a rugged off-road look. They are designed to fit select Jeep Wrangler JL and Gladiator JT vehicles and perfectly complement the JP-1017 dashboard speaker covers and the JP-1014 dash speaker pods.

Features

- Left and right lower dash speaker grille cut-ins
- Injection-molded plastic with silver-painted accents
- Metal stamped steel grille insert
- Can be installed with OE systems to upgrade the interior
- Compliments and enhances the fit of the JP-1017 dashboard speaker covers and the JP-1014 dash speaker pods
- 1-year warranty

Kit Includes:

- Cutting templates
- Cut-in grilles (driver & passenger)
- Installation hardware (speaker mounting and grille replacement screws)
