## JP-RGBKT-1 COMPLETE PLUG-N-PLAY RGB LIGHTING KIT FOR JEEP® JL/JT

 SALES 386-257-2956

### PRODUCT OVERVIEW

One kit lights it all. This complete interior and exterior RGB lighting kit is easy to install with plug-n-play connections, less wiring, and one controller for the smartphone app to sync everything together. When you're ready to add more lights, it has expandable options compatible with the Heise Infinite Series RGB lighting for a complete look using one controller and app. This kit includes RGB LED lights for the wheel well, rear/front/side underglow, front/rear footwells, and a backlit grille light. Designed specifically to fit Jeep® Gladiator JT and Wrangler JL models\*.
