JP-SML2 AMBER LED SIDE MARKER LIGHT

 SALES 386-257-2956

PRODUCT OVERVIEW

Upgrade the side marker lights with an easy to install solution that is plug-n-play with all of the Jeep Wrangler JL and Gladiator JT trim levels and includes an integrated anti-flicker feature. The smoked crystalline lens provides a stylish upgrade and the amber LEDs provide better visibility with 13.5 watts and an internal reflector for an even brighter output than the factory marker lights.

Fits: Jeep Wrangler JL/Gladiator JT 2018-Up

- (27) 0.5-watt LEDs
- Smoked crystalline lens
- Amber LED
- Multi-angle internal reflector
- Integrated anti-flicker
- Plug-n-play factory connector
- IP67
- Sold as a pair
