PRODUCT OVERVIEW

Now you can wire your Polaris UTV to play your tunes with this overhead console MPS-RZROHC designed specifically for Polaris UTV's with hard top roofs (the OH-UNI02 is fully universal). The ABS plastic housing mounts above you, keeping it up high out of mud and water and keeping it from being bumped by feet or knees. The console comes with the ability to install any media you chose. Such as a double DIN single DIN radio, Bluetooth® receiver etc. The overhead also has 2 speaker cut outs allowing the installation of either 6.5" - 6.75" speakers. It's time to outfit your Polaris UTV to play your favorite tunes and get this required item today!
