PRODUCT OVERVIEW

Add bass to enhance your listening experience with a durable, weather-resistant subwoofer box and amplifier bracket for Polaris RZR. With high-quality HDPE construction that can withstand harsh outdoor environments and a black textured coat, this enclosure is a perfect match and fit for mounting a 10" subwoofer into 2014-up* Polaris RZR models. This enclosure replaces the entire glove box and includes (2) amplifier mounting brackets for easy installation, ensuring that your equipment is safe from the elements.

- Fits 2014-up* Polaris RZR 900/1000 models
- Provides a 10" subwoofer mounting solution
- Replaces the entire glove box
- High-density polyethylene (HDPE) construction provides a corrosion-resistant and eco-friendly material ideal for harsh outdoor environments
- Protects the subwoofer without compromising sound quality
- Black textured coat finish matches the factory finish for a flawless look
- Includes stainless steel mounting hardware
- Includes 2 model specific mounting brackets for 2014-2017 and for 2018+
