MPS-WRM45 WATER-RESISTANT REARVIEW MIRROR WITH 4.5 INCH MONITOR

 **SALES** 386-257-2956

PRODUCT OVERVIEW

This monitor has signal sensing to show the rearview camera feed when driving in reverse. It is engineered for outdoor vehicles and recommended for use with iBEAM's TE-MIFM or TE-SBC cameras, but will work with most aftermarket camera inputs. The replacement rearview mirror is 9 inches wide by 3 inches high and features a 4.5-inch digital color LCD screen integrated within the mirror.

- 4.5" mirror/monitor
- 2 video inputs - signal sensing triggered
- IP69K rated
- Includes most widely used windshield mount, if vehicle does not have universal footprint on windshield, use TE-M06 (sold separately)
- If using for an off road vehicle with a roll bar, please purchase TE-RBM from iBEAM
