PRODUCT OVERVIEW

Heise is launching new LED light kits to dress up your ride. Our new RGB and RGBW wheel light kits boast sturdy metal frames that are lined on two sides with IP68 rated LEDs that will give the bright glow needed to highlight custom rims. The new chasing LED wheel lights for those who want to go wild with moving patterns. You have a choice from 16 million colors and 170+ pre-made pattern effects controllable via app for your smart phone or tablet or included remote.
